

OVERSEAS STUDY CONSULTANT

ABOUT US

Studying abroad for many students can be both exciting and challenging. Students may come from diverse backgrounds which mean adjusting to the new study environment, culture and other aspects of life as they embark on their study.

Toucan EdCounsel, one of the best overseas education consultants, is proud to present itself as one stop solution for your overseas education solutions. We are renowned for providing professional advice on best learning institutions in various countries. Students, parents, or sponsors requiring information on study opportunities abroad can reliably obtain this information from Toucan EdCounsel through our experienced consultants.

The learning institutions we offer have world class education and training. These institutions are world leaders in research and training for industry needs and thus ensuring that the graduates are better placed to compete in the global market.

Universities & Colleges are in different locations ranging from metropolitan to regional areas. This gives the students the opportunity to experience different lifestyles, culture and learning environments.

Students wishing to study overseas often do not have relevant information about courses, student visa requirements or how to go about applying for a course at education institutions. Toucan EdCounsel plays a pivotal role in supporting prospective students. Support includes but not limited to:

OUR SERVICES

OVERSEAS STUDY COUNSELLING

The first and the foremost step towards the right career choice needs proper first-hand guidance and support.

We help you take the best-informed career decisions by presenting you with the best colleges and courses as per your educational inclination.

Driving you towards your pre-set career goals is the first step we take to ensure you fulfil your dreams and help you take the right decisions. Our overseas educations experience along with your educational background and career objectives make the perfect team to ensure you rise and shine.

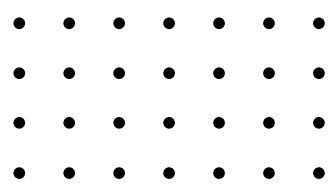

COURSE & UNIVERSITY SELECTION

Our experienced team of counsellors help you choose the best possible course and university as per your career goals in your dream study destination country.

It is one of the most essential aspect of study abroad. Once our professionally researched and rightly informed team helps you through it based on your educational background and admission test scores, you will move a step closer to your career goal.

APPLICATION & ADMISSION GUIDANCE

Your application to the institution is the most influential document, through which the institute's admission committee decides if you should be selected to study in their university.

Our excellent team gives you firsthand experience and professionally researched guidelines on writing your Statement of Purpose (SOP) and Essays. Your application should describe you to an outside world, hence it should cover all your life aspects in it.

VISA APPLICATION ASSISTANCE

Processing of student visa differs from country to country and our team has immense knowledge in handling the same for you.

Once you receive offer letter from the university, we help you arrange your visa application, so you are ready for timely submission and prepare you for your Visa Interview. We have high success rate in Visa applications.

APTITUDE AND ENGLISH PROFICIENCY TEST GUIDANCE

Overseas Educational Institutions require you to give certain aptitude and/or English Language proficiency Tests and based on your results you can apply into several institutions.

We help you take the correct guidance in GRE, GMAT, SAT, IELTS, TOEFL, etc. so you do not miss the bus to fulfill your career objectives.

VALUE ADDED SERVICES

Our other services include, pre-departure orientation, foreign exchange, money transfers, information on scholarships offered by universities, travel itinerary and ticketing, accompany visa for parents/spouses, accommodations, Insurances, quick guide on country travelling to.
